FYI !

First, I received a call back from the AHERA Designated Person at Liberty Public Schools, Liberty, MO. I have scheduled an AHERA inspection with that LEA on Thursday, 10/22/09, with an alternative date of 10/27/09, if necessary to reschedule.

Secondly, I am still currently holding (clinging) to my scheduled inspection date with the Sister at St. Augustine Indian Mission School on 11/03-04/09, though I still have some apprehension and resistance to reduce in her regard. I'm hedging forward, hoping to establish and affirm an inspection date of 11/04-05/09 with the Winnebago Public School by Monday or Tuesday of next week.

I'll keep you informed.
